IMPORTANT NOTICE

Since you are applying for insurance, we would like you to know more about our underwriting process and what occurs after you submit your application.

(Please give a copy of these notices to each Proposed Insured.)

THE UNDERWRITING PROCESS

All forms of insurance are based on the concept of risk-sharing. Underwriters seek to determine the level of risk represented by each applicant, and then assign that person to a group with similar risk characteristics. In this way, the risk potential can be spread among all policyholders within a given risk group, assuring that each assumes his fair share of the insurance cost.

Underwriters collect and review risk factors such as age, occupation, physical condition, medical history and any hazardous avocations. The level of risk and premium for the amount of coverage requested is based on this information.

INVESTIGATIVE CONSUMER REPORT

As a part of our routine procedure for processing your initial application, we may request an investigative consumer report. The agency making the report may keep a copy of the report and disclose its contents to others for whom it performs similar services. The report typically includes information such as identity and residence verification, character, reputation, marital status, estimate of net worth and income, occupation, avocations, medical history, habits, mode of living and other personal characteristics. Additional information is usually obtained from several different sources. Confidential interviews are conducted with neighbors, friends, business associates, and acquaintances. Public records are carefully reviewed.

Past experience shows that information from investigative reports usually does not have an adverse effect on our underwriting decision. If it should, we will notify you in writing and identify the reporting agency. At that point, if you wish to do so, you may discuss the matter with the reporting agency.

You have the right to be interviewed as part of any investigative consumer report that is completed. If you desire such an interview, please indicate this at the time your application is submitted. If you request it, we will supply the name, address and telephone number of the consumer reporting agency so you may obtain a copy of the report.

CONTESTABILITY

We strongly urge you to review the completed application closely for accuracy. During the 2 year contestability period described in the policy, a claim may be denied if the application contains false statements or misrepresentations or fails to disclose material facts. In such a case, the policy could be void and coverage could be lost.
