#### Illustration Acknowledgement and Certification

Our company requires that you receive a copy of a basic life illustration at the time of application for this life insurance policy. The basic illustration explains the policy's features, benefits and values, including its guaranteed and non-guaranteed elements; except, however, when a basic illustration is not provided at the time of sale because of a circumstance listed below, an illustration acknowledgement and certification form is required to be presented in its place.

I acknowledge that this Illustration Acknowledgement and Certification is being used for one of the following reasons:

- I have reviewed an illustration on a computer screen but did not receive a printed copy.
- I have reviewed an illustration that does not exactly conform to the policy for which I have applied.
- I have not reviewed any illustration regarding the policy for which I have applied.
- I have received a quotation or composite illustration in connection with policies marketed on a group basis.

I acknowledge that no illustration conforming to the policy I am applying for was provided due to a circumstance checked-off above and that an illustration conforming to the policy as issued will be provided for me to sign no later than at the time of policy delivery.
