Your income and family size help us decide what programs you qualify for. With this information, we can make sure everyone gets the best coverage possible.

You must include these people on this application:

- Your spouse
- Your children who live with you
- All parents living in the home with their child
- Anyone on your federal income tax return, if you file one. You don't need to file taxes to apply for health insurance.
- ★ If you are claimed as a dependent on someone else's tax return, you must include all members of the tax filing household that claimed you, and any family members living with you.
- 🖈 Anyone else who lives with you for example, a boyfriend, girlfriend, or roommate will need to file his or her **own** application if they want health insurance.

Complete Step 2 for each person in your family. Start with yourself!

- To apply for more than four people on this application, make a copy of pages 6–8 for each additional person.
- We'll keep all your information private, as required by law. We'll use personal information only to see if you qualify for health insurance. You do not need to provide the immigration status or Social Security number (SSN) for those in your family who are not applying for health insurance.

Your rights and responsibilities

- The information I gave on this application is true as far as I know. I know that I may be subject to a penalty if I do not tell the truth.
- I understand that the information I give will be used only to see if those in my family who are applying for health insurance will qualify.
- I understand that Covered California and the Medi-Cal program will keep my information private, as the law requires. For more information, or access to personal information in records maintained by Covered California and the Medi-Cal program, I can contact the Privacy Officer at 1-800-300-1506 (TTY: 1-888-889-4500).
- I understand that to be eligible for Medi-Cal, I am required to apply for other income or benefits to which I or any member of my household is entitled, unless he or she has good cause for not doing so. Examples of such income or benefits are pensions, government benefits, retirement income, veterans' benefits, annuities, disability benefits, Social Security benefits (also called OASDI or Old Age, Survivors, and Disability Insurance), and unemployment benefits. But such income or benefits do not include public assistance benefits, such as CalWORKs or CalFresh. If I have a question about a possible source of income, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) for help.
- I know that I must tell Covered California or my county social services office about changes to anything I wrote on this application. To report changes, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) or visit CoveredCA.com. Or, I can call my county social services office.
- I know that Covered California must not discriminate against me or anyone on this application because of race, color, national origin, religion, age, sex, sexual orientation, marital status, veteran's status or disability. If I think Covered California has discriminated against me, including the failure to provide reasonable accommodations as required under state and federal law, I can make a complaint by visiting www.hhs.gov/ocr/office/file or http://oag.ca.gov/ contact/general-comment-question-or-complaint-form. If I believe that Covered California has discriminated against me or anyone else on this application in connection with a Medi-Cal eligibility determination, I can also file a complaint with the Department of Health Care Services, Office of Civil Rights by calling **1-916-440-7370** (TTY: 1-916-440-7399).

- I understand that any changes in my information or information of any member(s) in the applicant's household may affect the eligibility of other members of the household.
- I confirm that no one applying for health insurance on this application is confined, after the disposition of charges (judgment), in a jail, prison, or similar penal institution or correctional facility. However, all inmates may apply for Medi-Cal regardless of their incarceration status.
- I understand that I must report income changes to Covered California because it may affect the amount of premium assistance (or tax credits) that I may be eligible to receive. I also understand if I receive too much premium assistance (or tax credits) during the benefit year, I will have to repay the extra premium assistance back to the IRS when I file my federal income taxes for the benefit year.
- I give my permission to Covered California to check other agencies' computer records to verify citizenship, satisfactory immigration status, tax information, and other information related only to eligibility to see if I and other people on this application qualify for health insurance.

If someone on the application qualifies for Medi-Cal:

 I know that if Medi-Cal pays for a medical expense, any money I or anyone on this application get from other health insurance or legal settlements related to that expense will go to Medi-Cal as payment for the expense until the expense is paid in full.

For parents whose child or children qualify for Medi-Cal:

I know I will be asked to help the agency that collects medical support from any parent on this application who does not live with the child and does not send support for the child. If I think that helping will harm me or my children, I can tell the Medi-Cal program and I will not have to help.

Your right to appeal:

- If I think Covered California or the Medi-Cal program has made a mistake, I can appeal its decision. To *appeal* means to tell someone at Covered California or the Medi-Cal program that I think its decision is wrong and ask for a fair review of the action.
- I know that I can find out how to appeal by calling 1-800-300-1506 (TTY: 1-888-889-4500).
- I know that I must file an appeal within 90 days of the decision.
- I know that I can represent myself or have someone else represent me in my appeal, such as an authorized representative, a friend, a relative, or a lawyer.
- I know that if I need help, someone at Covered California, the Medi-Cal program, or the county social services office can explain my case to me.

Renewal of insurance

at renewal.

To make it easier to continue to get health insurance in future years, I agree to allow Covered California to use computer sources, such as the IRS, to check my income. If the sources show I am still eligible, my insurance coverage can be renewed for another 12 months and I won't have to fill out a renewal form or send other paperwork.

I understand that if I choose not to allow Covered California to use computer sources, I must complete a renewal packet every 12 months in order to continue my health insurance.

- If I am determined eligible by Covered California to enroll in the plan I selected above, I understand that by signing this page I am entering into a contract with the issuer of that plan.
- I am at least 18 years of age, or I am an emancipated minor, and mentally competent to sign a contract.

I understand that, if I select a health plan that requires binding arbitration to resolve disputes, I accept the use of binding arbitration and give up my right to a jury trial and cannot have the dispute decided in court, except as applicable law provides for judicial review of arbitration proceedings. I understand that the full arbitration provision for each participating health plan, if they have one, is in the health plan's coverage document, which is available online at CoveredCA.com for my review, or, I can call Covered California for more information.
